

Hi, We are **EMPLOYEE ENGAGEMENT PLATFORM**

Made in HK ❤️

Work defines us in a major way. Yet many of us lack clarity and support to do our best. Disengagement leads to unwanted loss of enthusiasm and turnover

While work should be inspiring and impactful, in Purtato, we tackled the problem with an employee engagement platform that helps organization (and the people) thrive. It is our mission to help organization and the people to make the hours we spending working more fulfilling.

Social & Feedback

Employee are comfortable to voice out, engage and appreciate with peers.

Increase Engagement

Managers and employees feel supported and knows their work matters.

Automate Processes

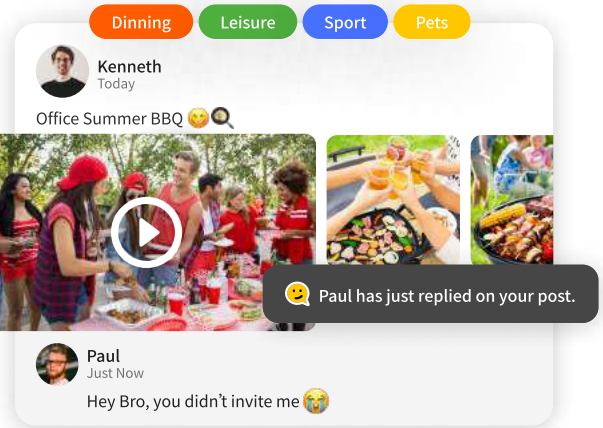

People management should focus more on making a great people plan and let technology does the hard work.

Incentivize Positivity

Create a corporate reward program to use points/ token to keep employee engaged and performed.
